BEST YOU CAN BUY.**

OIL FILTERS

Oil is the lifeblood of any engine, which means the filter should never be taken for granted, especially in harsh, heavy-duty environments. Our oil filters help keep you up and running with reduced downtime.

HYDRAULIC FILTERS

WIX has applied its superior filter design and manufacturing expertise to producing high quality cartridge and spin-on filters that keep hydraulic systems protected and working at peak efficiency.

FUEL FILTERS

A fuel filter's job is more demanding than ever. WIX fuel filters meet the tough requirements to offer unmatched fuel-cleaning performance and quick and easy filter replacement.

AIR FILTERS

We understand it only takes a small amount of dirt to destroy an engine. That is why WIX air filters are crucial to keeping them alive and running efficiently. Their consistent development and lab testing continues to make them the benchmark for ultimate performance.
